

STATEMENT OF FACTS

The affiant, [REDACTED] is a Special Agent of the Federal Bureau of Investigation, and has been so employed since January of 2017. I am presently assigned to the FBI's Detroit Division. In my duties as a special agent, I investigate Domestic and International Terrorism matters. Currently, I am tasked with investigating criminal activity in and around the Capitol grounds on January 6, 2021. As a Special Agent, I am authorized by law or by a Government agency to engage in or supervise the prevention, detection, investigation, or prosecution of a violation of Federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

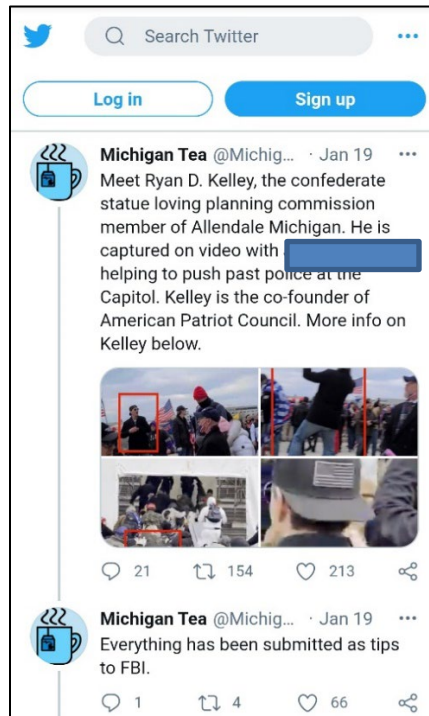

During national news coverage of the aforementioned events, news media coverage and video footage which appeared to be captured on mobile devices of persons present on the scene, depicted evidence of violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there. This allowed investigators to collect publicly-available photo and video media depicting many individuals accessing restricted areas of the U.S. Capitol.

Investigative Leads Regarding Ryan Kelley's Possible Involvement in Events of January 6, 2021

Due to the nature of the events at the U.S. Capitol on January 6, 2021 and the intense news media and online amateur journalist coverage, many private individuals were able to review a large amount of photos and videos produced that day. In this case, the FBI received multiple tips regarding Ryan Kelley's presence at the U.S. Capitol on January 6, 2021.

On January 16th, 2021, an anonymous tipster from Michigan submitted an online tip to the FBI National Threat Operations Center (NTOC) via tips.fbi.gov, which identified that Ryan Kelley was at the Capitol attack on January 6, 2021. The tipster provided photos of who they believed was Ryan D. Kelley (KELLEY) at the Capitol on January 6, 2021. The information provided by the tipster showed KELLEY at the U.S. Capitol wearing a black coat, a backwards black baseball cap with a rectangular U.S. flag emblem above the bill, and aviator sunglasses.

This anonymous tip contained the same information posted on the Twitter account “@MichiganTea” in which the same or similar pictures were used to identify KELLEY at the U.S. Capitol on January 6, 2021. The relevant @MichiganTea post is below (A PDF document of the post on this website is **Item #1**).

On January 19, 2021, an individual stating that their name was “Kate” called the FBI tip line and identified that they had seen KELLEY of Allendale, Michigan in numerous pictures and videos from the January 6, 2021 event at the U.S. Capitol.

On January 28, 2021, a Confidential Human Source (CHS1) that had been working with the FBI since 2020 to provide information about Domestic Terrorism groups in Michigan identified an individual in a publicly available news media video that they believed to be KELLEY. A screenshot from the video, which is publicly available and was pointed out to the FBI by CHS1, is below. (A screenshot is below as **Item #2**)

Review of Public Information Produces a More Complete Narrative of Kelley’s Actions

Based on the tips and information that had been provided, law enforcement took additional steps to review available media in which the individual alleged to be KELLEY appeared, in order to assemble a more complete record of that individual’s actions on January 6, 2021. To support this effort, the FBI employed the assistance of the Confidential Human Source referenced above (CHS1), because that Source had an extensive background in online research and data management.

Based on a review of publicly available images, videos, news article, and other online resources, the following record of the activities of the individual alleged to be KELLEY on January 6, 2021 at the U.S. Capitol was assembled:

At approximately 1:30 p.m. on January 6, 2021, a video of the event that was posted online displays an individual wearing the aviator sunglasses and backwards black baseball cap at about the 7 minute, 9 second mark. This indicates that KELLEY gathered near the entrance to the North Western scaffolding on the Western side of the U.S. Capitol. The individual with the sunglasses and baseball cap is pictured below.

Further Investigation Confirming Identification of Ryan D. Kelley

In May of 2020, KELLEY attended the American Patriot Council “Judgement Day” rally in Lansing, Michigan. During that event, KELLEY wore a backwards black hat, a blue shirt, and a black coat. Parts of this attire were also worn by KELLEY in photos and videos from the U.S. Capitol grounds on January 6, 2021. During that event, KELLEY also stated that: : “...the American Patriot Rally was organized with one thing in mind: to encourage the senate to vote no on extending [Governor] Whitmer’s emergency declaration, which they did. It was a victory....we got exactly what we came for.” (Source: <https://griid.org/2020/05/12/more-anti-lockdown-protests-planned-for-may-14-in-lansing-and-grand-rapids/>). In November of 2020, KELLEY was a featured speaker and introduced by name at a “Stop the Steal” rally at the Michigan Capitol in Lansing. During that event, KELLEY indicated that those attending the rally should stand and fight, with the goal of preventing Democrats from stealing the election.

He gave a speech while wearing a name tag and stated “Covid-19 was made so that they can use the propaganda to control your minds so that you think, if you watch the media, that Joe Biden won this election. We’re not going to buy it. We’re going to stand and fight for America, for Donald Trump. We’re not going to let the Democrats steal this election”.

Also in November of 2020, KELLEY maintained an online presence on social media and on Twitter, and used these online services to post publicly available messages. This post has a

name of Ryan D. Kelley and a photo of him. It states “Expose the corrupt Democrats and try them for treason! #justiceiscoming.” (The photo shown below is a screenshot of a social media post, and is **Item #22**)

CHS1 pointed out that KELLEY had made this publicly available tweet from the account @RyanKelley on November 21, 2020.

Also, in a February 2, 2021 video interview with a local television news channel, KELLEY speaks about being at the U.S. Capitol on January 6, 2021, and denies having gone inside the building. KELLEY refuses to identify whether he is the individual wearing a dark coat and black baseball cap in photos shown to him by the reporter. (The image shown below is a screenshot from a video of a news interview. The video of the interview is **Item #23**).

In a continued effort to conclusively identify the individual alleged to be KELLEY, the FBI interviewed three people familiar with KELLEY to confirm his identity. On March 31, 2021, FBI agents interviewed a person who knows KELLEY personally, Witness 1. Witness 1 sees KELLEY in person once or twice per week. When presented with a collection of pictures (**Item #24**) of KELLEY from January 6, 2021, Witness 1 positively identified them as KELLEY. Witness 1 was confident in the identification of KELLEY.

On April 3, 2021 FBI interviewed a law enforcement officer from Ottawa County Sheriff's Office (OSCO), Witness 2. OSCO Deputies work in and around the Allendale, Michigan area, including Allendale Township and the Allendale Township Town Hall. As part of these official duties, Witness 2 sees or interacts with KELLEY approximately every few months. At the time of the interview, Witness 2 estimated that it had been approximately three months since the last in-person encounter with KELLEY. When presented with a collection of pictures from January 6, 2021 (**Item #25**), Witness 2 positively identified them as KELLEY. Witness 2 was confident in the identification of KELLEY.

On March 3, 2021, FBI interviewed a public official of Allendale Township who knows KELLEY personally, Witness 3. When presented with pictures of the individual at the U.S. Capitol believed to be KELLEY, Witness 3 positively identified the pictures (**Item #26**) as

KELLEY. Witness 3 stated that he was not sure enough to testify to this fact in legal proceedings however because Witness 3 had never seen KELLEY in a hat.

In a further attempt to identify whether images identified by investigators were of Ryan KELLEY, the following information was presented to an FBI Assistant Special Agent in Charge who interviewed Ryan KELLEY in person in FBI office space on July 30, 2020. The ASAC was able to identify KELLEY in the following two photos (which are **Items #11** and **#13** from above, respectively):
