Description: Complaint W/ Arrest Warrant

STATEMENT OF FACTS

I, [REDACTED], am a Special Agent with the Federal Bureau of Investigation assigned to the [REDACTED]. In my duties as a Special Agent, I investigate crimes committed by Racially Motivated Violent Extremists (RMVE), Antigovernment Violent Extremists (AGVE), and other Domestic Terrorism related matters. I have participated in procuring and executing arrest warrants of persons committing federal violations and search warrants involving the search and seizure of multiple types of evidence to include electronic communications, digital devices, social media accounts, cell cite data, and geo-location data. Currently, I am tasked with, among other duties, investigating criminal activity in and around the Capitol grounds on January 6, 2021. As an FBI Special Agent, I am authorized by law or by a Government agency to engage in or supervise the prevention, detection, investigation, or prosecution of a violation of Federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice

President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there and assaulting Federal Law Enforcement Officers.

JARED MILLER'S Participation on January 6, 2021

During this investigation, I have located and reviewed open-source media, Metropolitan Police Department body worn camera (BWC), and United States Capitol close circuit television (CCTV) which captured the movements of JARED MILLER on January 6, 2021. MILLER (circled in yellow) traveled to Washington, D.C. and attended former President Donald Trump's 'Stop the Steal' rally. MILLER can be seen wearing a black jacket, blue jeans, hiking boots, a backpack, and a royal blue gator around his neck (Image 1¹).

After the rally, MILLER walked to the United States Capitol Building and entered the restricted grounds on the west side of the Capitol (Image 2²) where he joined a mob that had broken through multiple barriers and police lines.

Image 2

The mob became increasingly hostile towards United States Capital Police (USCP) officers, pushing officers back to the base of the Inaugural Stage. MILLER emerged himself in this group and can be seen wearing a pink gas mask in addition to the black jacket, blue jeans, shoes, and backpack (Image 3³ and 4⁴).

Assault Information

At approximately 1:12 p.m., several units of Metropolitan Police Department (MPD) officers arrived at the West Plaza to assist USCP officers in crowd control. MILLER and other rioters were held back behind bike rack barriers as MPD and USCP set up a line, on the south side of the West Plaza area, in a 'U' shape to prevent rioters from advancing.

At approximately 1:14 p.m., rioters are captured on MPD body worn camera (BWC) pulling away a barrier as MILLER watches (Image 5).

Image 5

Assault Against MPD Officers on the North End of the Line at 1:16 p.m.

At approximately 1:16 p.m., the north side of the police line is breached by rioters. CCTV captured MILLER joining this breach, first pushing an unidentified MDP officer (Image 6) and then shoving MPD Officer O.F. as he attempts to rejoin the police line (Image 7).

Image 6

Image 7

As MPD and USCP reestablished the line, MILLER can be seen giving officers the middle finger at approximately 1:18 p.m. (Image 8).

Image 8

Assault of MPD AND USCP Officers at 1:22 p.m.

At 1:21 p.m., MILLER is seen on BWC dragging a bike rack away from the northern side of the USCP and MPD line (Image 9). The barrier is absorbed into the mob.

Image 9

At 1:22:30 p.m., MILLER reengaged with the northern end of the police line. MILLER is captured on CCTV and in open-source video hitting both USCP and MPD officers (Image 10⁵) then MILLER drove barricades back into multiple officers at 1:22:40 p.m. (Image 11⁶).

Investigation led to MILLER's Instagram and Facebook accounts. A review of the accounts was conducted and identified recent photos of MILLER from Instagram (Image 22) and Facebook (Image 23) that appeared visually like MILLER did on January 6, 2021.

Image 22

Image 23

On or about September 21, 2022, an interview was conducted with an individual known to have been associated with MILLER (Witness #1). Witness #1 first met Miller in or around January 2020. Through March and April of 2020, Witness #1 saw MILLER several more times, and more frequently the following months. Witness #1 observed MILLER present several times at various protests in Richmond, Virginia. Witness #1 identified MILLER as being a member of the Constitutional Defense League (CDL). Witness #1 further identified MILLER's role in the CDL as a trainer, focused on training members of the CDL to become "sharpshooters" and host firearms related trainings. During the interview, Witness #1 was shown several photos of MILLER, including photos from January 6, 2021. Initially, Witness #1 did not recall the name of MILLER, but did recognize MILLER within the first three photos. Witness #1 then recalled MILLER's name as "JARED MILLER." During a follow up interview on or about October 7, 2022, Witness #1, positively identified MILLER in photos (four of which are shown below) and stated he specifically recognized the pink gas mask from prior interactions with MILLER.

Based on the foregoing, your affiant submits that there is probable cause to believe that JARED MILLER violated 18 U.S.C. § 1752(a)(1), (2) AND (4), which makes it a crime to (1) knowingly enter or remain in any restricted building or grounds without lawful authority to do; (2) knowingly, and with intent to impede or disrupt the orderly conduct of Government business or official functions, engage in disorderly or disruptive conduct in, or within such proximity to, any restricted building or grounds when, or so that, such conduct, in fact, impedes or disrupts the orderly conduct of Government business or official functions; and (4) knowingly engages in any act of physical violence against any person or property in any restricted building or grounds; or attempts or conspires to do so. For purposes of Section 1752 of Title 18, a “restricted building” includes a posted, cordoned off, or otherwise restricted area of a building or grounds where the President or other person protected by the Secret Service, including the Vice President, is or will be temporarily visiting; or any building or grounds so restricted in conjunction with an event designated as a special event of national significance.

Your affiant submits there is also probable cause to believe that JARED MILLER violated 40 U.S.C. § 5104(e)(2)(E) and (F), which makes it a crime to willfully and knowingly (E) obstruct, or impede passage through or within, the Grounds or any of the Capitol Buildings; and (F) engage in an act of physical violence in the Grounds or any of the Capitol Buildings.

Your affiant further submits that there is probable cause to believe that JARED MILLER violated 18 U.S.C. § §111 (a)(1)- which makes it a crime to forcibly assault, resist, oppose, impede, intimidate, and interfere with, an officer and employee of the United States, and of any branch of the United States Government (including any member of the uniformed services), and any person assisting such an officer and employee, while such officer or employee was engaged in or on account of the performance of official duties, and where the acts in violation of this section involve physical contact with the victim and the intent to commit another felony. For purposes of Section 111 of Title 18, persons “assisting” federal officers or employees include the MPD Officers who were assisting U.S. Capitol Police and other federal law enforcement officers in responding to the events of January 6, 2021.

Finally, your affiant further submits there is probable cause to believe JARED MILLER violated 18 U.S.C. § §231 (a)(3), which makes it unlawful to commit or attempt to commit any act to obstruct, impede, or interfere with any fireman or law enforcement officer lawfully engaged in the lawful performance of his official duties incident to and during the commission of a civil disorder which in any way or degree obstructs, delays, or adversely affects commerce or the movement of any article or commodity in commerce or the conduct or performance of any federally protected function. For purposes of Section 231 of Title 18, a federally protected function means any function, operation, or action carried out, under the laws of the United States, by any department, agency, or instrumentality of the United States or by an officer or employee thereof. This includes the Joint Session of Congress where the Senate and House count Electoral College votes.
