Case No.: 21-CR-00077 (BAH)

40 U.S.C. § 5104(e)(2)(G)

STATEMENT OF OFFENSE

Pursuant to Fed. R. Crim. P. 11, the United States of America, by and through its attorney, the United States Attorney for the District of Columbia, and the defendant, Iraj Javid, with the concurrence of his attorney, agree and stipulate to the below factual basis for the defendant’s guilty plea—that is, if this case were to proceed to trial, the parties stipulate that the United States could prove the below facts beyond a reasonable doubt:

The Attack at the U.S. Capitol on January 6, 2021

1. The U.S. Capitol, which is located at First Street, SE, in Washington, D.C., is secured twenty-four hours a day by U.S. Capitol Police (USCP). Restrictions around the Capitol include permanent and temporary security barriers and posts manned by USCP. Only authorized people with appropriate identification are allowed access inside the Capitol.

2. On January 6, 2021, the exterior plaza of the Capitol was closed to members of the public.

3. On January 6, 2021, a joint session of the United States Congress convened at the Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in the Capitol to certify the vote count of the Electoral College of the 2020

Presidential Election, which had taken place on Tuesday, November 3, 2020. The joint session began at approximately 1:00 pm. Shortly thereafter, by approximately 1:30 pm, the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

4. As the proceedings continued in both the House and the Senate, and with Vice President Pence present and presiding over the Senate, a large crowd gathered outside the Capitol. Temporary and permanent barricades, as noted above, were in place around the exterior of the Capitol, and USCP officers were present and attempting to keep the crowd away from the Capitol and the proceedings underway inside.

5. At approximately 2:00 pm, certain individuals in the crowd forced their way through, up, and over the barricades. Officers of the USCP were forced to retreat and the crowd advanced to the exterior façade of the building. The crowd was not lawfully authorized to enter or remain in the building and, prior to entering the building, no members of the crowd submitted to security screenings or weapons checks as required by USCP officers or other authorized security officials.

6. At such time, the certification proceedings were still underway, and the exterior doors and windows of the Capitol were locked or otherwise secured. Members of the USCP attempted to maintain order and keep the crowd from entering the Capitol; however, shortly after 2:00 pm, individuals in the crowd forced entry into the Capitol, including by breaking windows and by assaulting members of law enforcement, as others in the crowd encouraged and assisted those acts. The riot resulted in substantial damage to the Capitol, requiring the expenditure of more than \$1.4 million dollars for repairs.

7. Shortly thereafter, at approximately 2:20 pm, members of the House of Representatives and of the Senate, including the President of the Senate, Vice President Pence, were instructed to—and did—evacuate the chambers. Accordingly, all proceedings of the United States Congress, including the joint session, were effectively suspended until shortly after 8:00 pm on January 6, 2021. In light of the dangerous circumstances caused by the unlawful entry to the Capitol—including the danger posed by individuals who had entered the Capitol without any security screening or weapons check—Congressional proceedings could not resume until after every unauthorized occupant had been removed from or left the Capitol, and USCP confirmed that the building was secured. The proceedings resumed at approximately 8:00 pm after the building had been secured. Vice President Pence remained in the Capitol from the time he was evacuated from the Senate Chamber until the session resumed.

Iraj Javid's Participation in the January 6, 2021, Capitol Riot

8. The defendant, Iraj Javid, lives in Bristow, Virginia. In the morning of January 6, 2021, defendant traveled from Bristow, Virginia, to Washington, D.C., to attend the rally for former President Donald Trump.

9. After the rally, defendant joined the crowd and walked to the U.S. Capitol.

10. While outside the Capitol grounds, defendant walked past bike rack fencing that had been pushed aside to allow the crowd through and green plastic fencing that had been knocked down and rolled up.

11. Defendant entered the Capitol at approximately 2:26 pm by pushing through the East Rotunda Doors past U.S. Capitol Police Officers who were attempting to close the doors. Defendant remained inside the U.S. Capitol Building for approximately 18 minutes.

12. Around 2:28 pm, defendant made his way to the Rotunda.

13. Around 2:30, defendant made his way to Statuary Hall and continued walking towards the House of Representatives.

14. Around 2:41 pm, defendant walked towards Room H-208 and then in the direction of the Speaker's Lobby.

15. Around 2:54 pm, defendant exited the U.S. Capitol Building via the Upper House Doors.

Elements of the Offense

16. IRAJ JAVID knowingly and voluntarily admits to all the elements of 40 U.S.C. § 5104(e)(2)(G). Specifically, defendant admits that

- The defendant willfully and knowingly entered the U.S. Capitol Building knowing that that he/she did not have permission to do so. Defendant further admits that while inside the Capitol, defendant willfully and knowingly paraded, demonstrated, or picketed.
