

## STATEMENT OF FACTS

Your affiant, [REDACTED] is a Special Agent with the Federal Bureau of Investigation ("FBI"). I have been in this position since 2018. Previously I was employed as a Police Officer for 10 years in Virginia. I received initial training and instruction to become a Special Agent at the FBI Academy located in Quantico, Virginia, which included training concerning violations of the United States criminal statutes. I am currently assigned to the Richmond Division of the FBI, Roanoke Resident Agency. During my employment with the FBI, I have conducted and/or assisted in criminal investigations involving various criminal violations. As a federal agent, I am authorized to investigate violations of laws of the United States, and as a law enforcement officer I am authorized to execute warrants issued under the authority of the United States. Currently, I am tasked with investigating criminal activity in and around the Capitol grounds on January 6, 2021. As a Special Agent I am authorized by law or by a Government agency to engage in or supervise the prevention, detection, investigation, or prosecution of a violation of federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police and other law enforcement officers, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President

Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

### **MARKUS MALY IDENTIFIED AS AFO-324**

On a public-facing FBI website designed to seek information about individuals who participated in the January 6, 2021 riot at the U.S. Capitol, FBI Washington posted photographs of AFO-324, who was involved in spraying an unknown chemical irritant at a line of police officers outside of the Capitol Building. A tip from the DC Metropolitan Police advised that the subject AFO-324 could possibly be MARKUS MALY.

After reviewing the photos and videos of AFO-324 on January 6, 2021, I reviewed known photographs of MALY from law enforcement databases. After reviewing 1) a 2020 Booking Photo from Roanoke County, Virginia Sheriff's Office (Image 4 below); 2) a 2017 Booking Photo from Virginia (Image 5 below); and 3) a 2008 driver's license, and comparing them to photographs of the individual identified by the FBI as AFO-324, the photographs of MALY are consistent with the individual identified by the FBI as AFO-324.

### FURTHER INVESTIGATION CONFIRMING IDENTIFICATION OF MALY

Based on the tips that had been provided above, law enforcement took additional steps to identify MALY.

<sup>1</sup> This post was created prior to FBI's involvement; the time is approximate.

Your affiant identified a phone number ending in -6777,<sup>2</sup> which is associated with MALY through phone subscriber records and cross referenced to his email and social media records. Records obtained pursuant to legal process showed an email associated with the number ending in -6777 had an associated email of [malymaly666@XXXXX.com](mailto:malymaly666@XXXXX.com)<sup>3</sup> and an associated name of "MARK MALY". Records received from the email account revealed that the account associated with malymaly666@XXXXX.com belonged to an email account registered in the name of "Mark Maly." The email account also lists a recovery SMS phone number that matches the number ending in -6777. Pursuant to legal process, law enforcement learned that the person carrying the phone ending in -6777 was identified as having utilized a cell site consistent with providing service to a geographic area that included the interior of the United States Capitol Building.

## **REVIEW OF VIDEO FOOTAGE CAPTURING ASSAULTS AT U.S. CAPITOL**

### *MALY Spraying at Law Enforcement*

A review of photos and videos around the Capitol show MALY holding the canister of pepper spray near a line of police officers. MALY then sprays the canister at the police officers. MALY sprayed towards a D.C. Metropolitan Police Officer, Officer Victim 1, as seen on body camera footage.

This image below is taken from a video from the body camera of MPD Officer Victim 1. In the video, MALY can be seen moving about the crowd and displaying a black spray can towards the officers present. The image below, taken from the video at 42 minutes and 3 seconds into the video, shows MALY in the right side of the image pointing a spray can directly at the officers at approximately 14:35:44 (2:35:44 p.m.) as displayed on the time stamp of the body camera video.

*MALY Aiding and Abetting Defendant Jeffrey Brown (21-cr-178) to Spray Law Enforcement*

On January 6, 2021, between approximately 15:09 p.m. and 15:16 p.m., a man who matches MALY’s description appeared on U.S. Capitol CCTV footage in the Lower West Terrace Tunnel. The Lower West Terrace Door is an outdoor area on the west side of the U.S. Capitol Building. On January 6, 2021, all parts of the Lower West Terrace were considered “restricted grounds” and were not accessible to the public. The Lower West Terrace Door led into the U.S. Capitol Building through a tunnel. Between approximately 15:09 p.m. and 15:16 p.m., the Lower West Terrace Door was heavily guarded by U.S. Capitol Police and MPD personnel, who had formed a defensive line to prevent unauthorized access into the U.S. Capitol Building via the tunnel.

The below image, taken from 3 minutes and 30 seconds into the video, shows MALY near the center of the frame in a white cowboy hat, with “Trump 2020” written on the front of the hat, at the entrance of the tunnel:

The below image, taken from the same video at 4 minutes and 51 seconds, shows MALY in the left center of the image handing a black spray can to indicted Defendant Jeffrey Brown's outstretched hand:

The Facebook account also included conversations between MALY and someone believed to be his girlfriend on or about January 6, 2021. On January 6, 2021 at approximately 16:16 EST, his girlfriend mentioned individuals breaking through Capitol barricades; Maly responded with “We took the fuckin capital...” At approximately 16:32 EST, Maly messaged his girlfriend in response to her concern about violence at the Capitol, and wrote “I know... I’ve got stories though,” and “I was so fun...”, “It..”

MALY posted multiple photos and videos that appear from be from January 6, 2021 at the Capitol, including a selfie-style photograph that he shared on January 19, 2021. As seen below, he is wearing clothing consistent with the above subject identified as MALY at the Capitol Building on January 6, 2021.

A review of the Google account associated with malymaly666@XXXXX.com revealed photographs and video of a subject identified as MALY at the Capitol Building on January 6, 2021.

### **LAW ENFORCEMENT IN PERSON IDENTIFICATION OF MARKUS MALY**

Your Affiant showed the below images to Officer Dakota Kidd, Roanoke County Police Department (RCPD). Officer Kidd was asked if he recognized the subject as MARKUS MALY from a previous in person law enforcement encounter with MALY. Officer Kidd reviewed the RCPD file detailing the encounter with MALY. Officer Kidd remembered that he “served papers” on MALY in February 2020 for a charge of failure to appear. Officer KIDD stated MALY had longer hair when he encountered him, but he recognized the subject pictured below as being MALY from the aforementioned law enforcement encounter. The below image is from [https://jan6attack.com/individuals/johnsprayne/1x0BshB-Uq\\_bubdvT01EFQ9vht5ChudBS.jpeg](https://jan6attack.com/individuals/johnsprayne/1x0BshB-Uq_bubdvT01EFQ9vht5ChudBS.jpeg) which is a cropped picture of *Image 3 – Screenshot of AFO-324 from D.C.
